

PSA

NEWSLETTER

Dear Parents

Can it be February already? Its hard to believe!!

Since September our school PSA have been working tirelessly to fundraise and come up with new ideas to raise money for all our children and our school. Thank you to all our new members who have come onboard bringing ideas and enthusiasm to the table.

Last term we had some fabulous PSA events take place including our Race Night in Oct and Christmas Fair and Wreath Making in December. In total we managed to raise an amazing £2426 which has paid for many things including the outstanding balance on the new laptops at school, insurance and maintenance on our mini buses & transport of all children to the panto at Christmas. Many thanks to all those that supported these events.

This term we are back firing on all cylinders as we have a playground to update!! We really need all your support with this one as it doesn't come cheap!

Our first family event will be Family Bingo on Saturday 9th February at 5pm. The idea behind this was that several of you have mentioned the difficulty getting babysitters so we decided to put on an event where children are welcome and encouraged to join in. We will need to have confirmed numbers by Monday 4th Feb so please purchase your tickets asap from any members of the PSA or the school office.

Our biggest fundraiser of the year is fast approaching with our Dinner N' Disco taking place at Kettering Park Hotel on Saturday 23rd March at 7pm. Many people have expressed an interest but have yet to purchase their tickets. Your support is very much needed and will hugely benefit our school children. We all need to make this a fabulous evening with lots of money raised for our playground facelift!! Feel free to invite any friends and family along too, the more the merrier!! I'm sure you can appreciate that final numbers are needed for the venue and caterers so please purchase your tickets asap from any member of the PSA or the school office.

Finally a word of thanks to all members of the PSA, your hard work and dedication to our school is outstanding!

Look forward to seeing you all at our upcoming events,

Emma Darby
