At Great Addington CE Primary School we receive pupil premium funding.

PURPOSE OF PUPIL PREMIUM

- The Government believes that the Pupil Premium, which is additional to main school funding, is the best way to address the current underlying inequalities between children eligible for free school meals (FSM) and their wealthier peers by ensuring that funding to tackle disadvantage reaches the pupils who need it most;
- In most cases the Pupil Premium is allocated to schools and is clearly identifiable. It is for schools to decide how the Pupil Premium allocated to schools per FSM pupil, is spent, since they are best placed to assess what additional provision should be made for the individual pupils within their responsibility;
- Schools are free to spend the Pupil Premium as they see fit, however, they will be held accountable for how they have used the additional funding to support pupils from low-income families. New measures are included in school's performance tables that capture the achievement of those deprived pupils covered by Pupil Premium.

GREAT ADDINGTON CHURCH OF ENGLAND ALLOCATION AND EXPENDITURE OF PUPIL PREMIUM

2017 - 2018	£14,380
2018 - 2019	£18,440

The Pupil Premium allocation is used for extra support for the children within this group. This includes:

- Extra support during teaching and learning sessions;
- Small group or 1:1 intervention support to address any gaps in learning;
- Time with a Learning Mentor or Counsellor should they wish to talk about any issues;
- Time with a Learning Mentor or Counsellor to work within small focused groups for self-esteem, confidence building etc;
- Milk for some of the children in EYFS, KS1 and KS2;
- Full payment of trips and visits in and out of school to help with learning provision, access and enrichment;
- Financial support for clubs and out of school activities, including during the school holidays;

The impact of this funding on pupil progress is monitored each term: where there are no additional barriers to learning, pupils make progress and attain similar levels to other children in our school. Due to the small numbers of pupils with PP funding, year group attainment will not be shared as children could potentially be identified.

<p>OBJECTIVES:</p> <p>Outcomes for children:</p> <ul style="list-style-type: none"> • To close/narrow the gap between FSM with their peers nationally; • To continue to provide early targeted intervention for underperforming groups as identified through data analysis and class provision maps - including those in receipt of PPG - including new/additional support; • Analyse progress of Teacher Focus Groups (those children in receipt of PPG and Ever 6 children) termly for the causes of under-achievement and through the Staff Appraisal process; <p><u>Quality of Teaching, Learning and Assessment</u></p> <ul style="list-style-type: none"> • To ensure quality first teaching and to make sure teaching is never less than good/outstanding teaching for those children in receipt of PPG; • Teaching Assistants are highly trained and understand and use formative assessment strategies and effective marking and feedback; <p><u>Personal Development, behaviour and welfare</u></p> <ul style="list-style-type: none"> • Attendance/punctuality and behaviour of children in receipt of PPG is monitored and in line with other children in school and nationally; • Counsellors and play therapists to work alongside the existing safeguarding team to provide families with the necessary support and resources to enable all children to make expected progress; <p><u>Leadership and Management</u></p> <ul style="list-style-type: none"> • Ensure high quality early intervention from experienced teaching staff; • Analyse progress of children in receipt of PPG and Ever 6 pupils to determine and identify strategies/interventions to address any issues in performance; • Identify children in receipt of PP to all staff and track their progress and provision through interactive provision mapping; • Ensure Governing Body have full knowledge and awareness of allocation/spending/impact of actions;

SUCCESS CRITERIA:

Outcomes for the children:

- Children make at least expected year on year progress and meet/exceed national year group expectations in all areas and exceed floor standards (monitored using data analysis) (year 6 achieve National Average expectations or above);
- Analysis of children taking part in early targeted intervention demonstrates progress above that expected and is being accelerated;
- Analysis of this cohort using data analysis demonstrates a closing/narrowing of the gap with peers in school and nationally;
- Teaching to be never less than good - mainly outstanding - using data analysis/lesson observations (linked to Appraisal process)/drop ins to evaluate impact;
- Targeted intervention for underperforming groups to take place;
- Targeted early intervention (Year R/1) in reading, phonics, writing and maths and discussions with the teachers;

Personal Development, behaviour and welfare

- If attendance/punctuality and behaviour of children in receipt of PPG not in-line with other children in school and nationally then provide school based interventions such as additional intervention in house or externally/parenting support;
- Headteacher to monitor cohort half-termly within classes to assess impact of intervention and feedback to Governors;
- Headteacher to track additional information and direct resources appropriately based on outcomes using the school tracker, attendance reports, parental attendance at consultations and involvement in extra-curricular activities;

Leadership and Management

- Action Plan identifies provision and expected impact;
- Headteacher is able to carefully track progress and impact of intervention strategies feeding back to all staff and governors;
- Named Governor (Jo Roden) and Governing Body have a detailed knowledge of actions/their rationale/cost and impact;
- Headteacher to collate information regarding progress and impact across range of interventions and activities offered to this cohort;

4. Desired outcomes

	<i>Desired outcomes and how they will be measured</i>	<i>Success criteria</i>
A.	<p>To ensure Quality First Teaching and that teaching is precise and of high quality to meet the needs of all pupils so that they make progress by meeting or exceeding age related national expectations</p> <p>To ensure that pupils consolidate basic skills</p> <p>To respond rapidly with targeted teaching for pupils at risk of underachievement.</p>	<ul style="list-style-type: none"> Pupils will meet (or exceed) age related national expectations in English and Maths. All staff to receive further appropriate CPD to facilitate the development of Quality First Teaching Teachers will give pupils weekly opportunities to consolidate key skills in phonics, reading and maths

	To provide an extra teaching assistant in each class at least 4 x mornings per week to include communication and planning time with teacher	<ul style="list-style-type: none"> • Support staff will support learning effectively • Additional intervention sessions will take place based on gaps/needs.
B.	To embed and sustain a reading culture that ensures all pupils read regularly and develop a 'love of books' Pupils read regularly and have access to high quality texts within guided reading	<ul style="list-style-type: none"> • Pupils read regularly (4x per week) outside of normal class reading • Pupils (who need to) will have opportunities for additional reading in school • Guided reading sessions will include elements of retrieval, vocabulary meaning and inference • Quantity and quality of reading is celebrated within the class and across the school • Improvements in the range of books read impact on writing results (particularly for more-able pupils) •
C.	All disadvantaged pupils will meet national expectations for attendance and punctuality	<ul style="list-style-type: none"> • Attendance at least 96.4% • The school will contact parents proactively if attendance/punctuality slips • Early Access Club will be offered free to priority pupils.
D.	To ensure access to the full range of educational experiences including music lessons, sporting clubs before and after school and on line learning at school and at home.	<ul style="list-style-type: none"> • Disadvantaged pupils will be exposed to the wide range of social, cultural, enrichment and sporting experiences within (and outside) the school day raising self-esteem and resilience.
E.	To meet the social, emotional and mental health needs of Pupil Premium children through targeted interventions and counselling provision.	<ul style="list-style-type: none"> • Raised self- esteem and well- being will impact on improved involvement, engagement and progress.

5. Planned expenditure

Academic year

2019/20

The three headings below enable schools to demonstrate how they are using the pupil premium to improve classroom pedagogy, provide targeted support and support whole school strategies.

i. Quality of teaching for all

Desired outcome	Chosen action / approach	What is the evidence and rationale for this choice?	How will you ensure it is implemented well?	Staff lead	When will you review implementation?
To ensure consistently good (and increase outstanding) teaching through the development of QFT across the whole academy:	<ul style="list-style-type: none"> ○ Incorporate Tom Sherrington's 'Rosenshine Principles in Action' into October Training day. ○ Senior Leaders attend 1 x PDET 'Observing QFT within a lesson' CPD session (+ Rosenshine focus) ○ Identified teachers attend PDET QFT (+ Rosenshine focus) Principles CPD session following SLT session. <p>Follow up staff meetings x 1 per term</p>	Tom Sherrington's Rosenshine 'Principles into Action'	As part of the Academy Improvement Plan Cycle	Head Deputy Subject Leaders	Termly
To respond rapidly with targeted teaching for pupils at risk of underachievement.	To provide an extra teaching assistant in each of our mixed aged classes at least 4 x mornings per week to include communication and planning time with teacher	This additional resource allows for many of the effective principles of teaching that are evidence-based to be implemented more effectively including : Feedback (+ 8 months) and Small Group Tuition (+ 4 months)	The school monitoring cycle will continuously evaluate provision	Head Teacher	Termly
To use CPD to ensure teaching is of an excellent standard	Trust Mastery Courses in Maths across the year to ensure that a mastery approach is embedded in all classes by all staff	On average, mastery learning approaches are effective, leading to an additional five months' progress over the course of a school year compared to traditional approaches (EEF toolkit)	All foci are part of the School Development Plan and the School Monitoring Cycle	Deputy Head	Termly

To have rigorous basic skills approaches in place for maths and for phonics and grammar,	Pupils to participate in daily registration activities and lesson starters to develop fluency in maths and retrieval, meaning and inference in reading. Grammar lessons are bespoke and timetabled. Pupils will use Time Table Rock Stars and similar resources each week to consolidate tables	Pupils need a sound understanding of number bonds and times tables to free the working memory to successfully apply more complicated maths operations. Daniel Willingham (University of Virginia) states: Automatic retrieval of basic maths facts is critical to solving complex problems because complex problems have simpler problems embedded in them. Regular practice ensures consolidation	Monitored weekly by teachers and celebrated in class and in assembly	Teachers	Weekly
--	--	--	--	----------	--------

Total budgeted cost £8000

ii. Targeted support

Desired outcome	Chosen action/approach	What is the evidence and rationale for this choice?	How will you ensure it is implemented well?	Staff lead	When will you review implementation?
For identified gaps in learning to be addressed	Varied interventions (according to need) including Switched on Reading, and Maths Catch Up to be delivered by teachers and support staff CPD for untrained staff in chosen intervention including phonics (RWi)	Evidence indicates that one to one tuition can be effective, delivering 5 additional months' progress on average (EEF toolkit)	Progress checked half termly and monitored by PP Governor	Headteacher With Maths and English subject leaders	Half-termly
For selected pupils to be supported in accessing learning	1:1 support for disadvantaged pupils who require it.	Meta-Analysis of research by John Hattie breaks down quality teaching into: Pupils having clear goals/objectives.... Teachers providing pupils with modelling/scaffolding/appropriate steps to achieve them	Progress of pupils will be checked termly	Head (with PP Gov)	Termly
For pupils to have basic needs met to ensure they are ready physically, mentally and emotionally to learn	To continue to contract a Counsellor/Play Therapist worker to engage with vulnerable children. To deliver Drawing and Talking Strategy as an Early Help Intervention as the need arises.	Until children's self-esteem and confidence is developed, they are unlikely to make improved academic progress. EEF evaluated 'Social and Emotional Learning' as moderate impact (+4 months)	Progress checks from workers and interviews with pupils/families	Head	Ongoing with each individual case.

Total budgeted cost £3000

iii. Other approaches

Desired outcome	Chosen action/approach	What is the evidence and rationale for this choice?	How will you ensure it is implemented well?	Staff lead	When will you review implementation?
For pupils to access a range of social/cultural/sporting experiences, visits and activities	All disadvantaged children will access the school's full offer and extra curricular offer free of charge both during the school day, before and after.	Pupils' horizons will be broadened and they will learn more about culture, history and geography and the importance of, and additional benefits that can be gained, by participating in sport and the arts. Meaningful experiences and contexts will enhance the broad and balanced curriculum.	Reviewing programme of trips and attendance and specific targeting of pupils.	All staff are responsible for ensuring the inclusion of all pupils, School Administrator to monitor.	Yearly
Total budgeted cost					£2000

6. Review of expenditure

Previous Academic Year

i. Quality of teaching for all

Desired outcome	Chosen action/approach	Estimated impact: Did you meet the success criteria? Include impact on pupils not eligible for PP, if appropriate.	Lessons learned (and whether you will continue with this approach)	Cost
