'Our love should not be just words and talk; it must be true love, which shows itself in action'. (1 John 3:18)

SPRING 2 : Issue 4

18th March, 2022

What a lovely week at Great Addington this week!

We have to start with Lamport's trip to Whitemoor Lakes. They have had an amazing time and conquered some brilliant challenges! From high ropes to fencing, abseiling to moonlight walks, the whole experience was extremely valuable for all of the children. We will give you a full run-down of the trip once the children (and staff!) have caught up with their sleep! A huge thank you from me to all of the staff involved with the trip for making this experience happen and run so smoothly!

Elsewhere in the school, Deene have been learning about the Easter Story and have been tasting hot cross buns as they explore their significance. Lilford have been busy learning about famous explorers in history and will soon begin comparing them. This links to our resilience curriculum driver and the children have been very inspired by these significant historical figures.

Rockingham have been continuing their learning about North and South America and have been using maps to develop their geographical skills. They have also enjoyed some fantastic PE sessions outside this week in the lovely sunny weather!

Finally, thank you to all of our parents who have accessed the reading workshops over the last two weeks. If you haven't had a chance to, the link to these has been sent out by email. I will be holding our next parent forum via zoom on Thursday 24<sup>th</sup> at 10am. I will be updating you all on learning across the school during this time and look forward to seeing many of you there. This session will also be recorded if you can't make it live. Please do let us know if you have any further questions about how you can support your child at home with any aspect of their learning. I wish you all a happy and fun-filled weekend!
