

Deene's Monthly Highlights

Edition Ten

Wednesday 20th July 2022

So here we are, at the end of our final chapter and the end of our story in Deene. We sure have had an amazing year. We have all achieved so very much over the year and are all extremely proud of ourselves. We have loved looking back over all of our work and all of the experiences that we have encountered. We had actually forgotten many of the things that we have done together. We sure have had so much fun along the way! When reflecting these are some of the comments we made....

"I loved seeing Santa at West Lodge." Santa wasn't even at the North Pole! How did that happen?!"

"I loved mud day! We made mud cakes and put sprinkles on it. We went in big muddy puddles!"

"The ice cream parlour was my favourite because I loved the smells."

"I loved going to the space centre because we saw lots of amazing, fun things."

"I just love playing with my friends and going outside."

"I just love school because we get to do all different kinds of fun stuff...and you're the best teacher ever!"

"My favourite things was you teaching us really nice and playing with us."

Lots of lovely memories mentioned there and there are many more too. Some of us mentioned International Mud Day. We did have an amazing time! Hopefully you saw some pictures on Twitter of the fun we had. Some of us fully embraced the mud and loved jumping up and down in muddy puddles. While some of us preferred relaxing in the spa!

Last week we had an amazing day together visiting the Ice-cream Parlour. We enjoyed tasting different flavours and creating our very own ice-cream. Toffee flavoured blue ice-cream, yum, yum! Due to the very hot weather we didn't make it to the park, however we did have the best time at our beach party. We enjoyed delicious drinks, tasty snacks and of course splashing in the pools.

So that's it, our story in Deene is at an end. We are now ready to have an amazing summer and a great big rest ready for September where we will continue our GA journey as incredible Year 1 children!

Happy holidays everyone! Team Deene

Well, where did that year go?! It only seems like 5 minutes ago that you were visiting us in school for transition sessions, now here we are. Thank you to you all for your continued support and involvement in your child's learning throughout the year. We hope that you have enjoyed our learning journey together as much as we have. The children have made us so proud over the year, their achievements and attitude towards their learning has been wonderful. They are all now ready for the move to Year 1 and we know that they will soon settle in and have a wonderful time in Lilford. We thought that the perfect way to end our newsletter would be with a little poem. Wishing you all a lovely summer break.

Now it's time to say goodbye, our year has come to an end.

We've made many cherished memories and the fun just never ends!

We've watched your child learn and grow and change from day to day.

We hope that all the things we've done have helped in some small way.

It's with so many happy memories that we send them out the door.

With great hope and expectations for what the next year has in store.

Although now it is the time to part, your child will always be in our hearts.

Mrs Kyberd and Mrs Waters.
