

'Our love should not be just words and talk; it must be true love, which shows itself in action'. (1 John 3:18)

SPRING 2 : Issue 5

25th March, 2022

A busy week at the end
of a busy term. We were

Blessed with the weather for our Easter service on Wednesday. Looking at the weather forecast, we waited with baited breath, we even had a few moments of sunshine! Thank you to those of you were able to join us, we hope that you were as proud of your children as we were.

The children also visited the church on Monday afternoon where Reverend Pauline led a service for us. We felt very grateful to be able to hold collective worship in the church after such a long period of time away.

Elsewhere this week, we were visited by the Mental Health Support Team who delivered Assemblies to each of our classes. This was a chance for the children to learn more about how they can look after their mental health and recognize all types of feelings.

A background image of several colorful Easter eggs decorated with various patterns like flowers, zig-zags, and dots in colors like blue, orange, green, and pink.

Support from the Mental Health Team this term has been invaluable and we have been able to help many of our children through this service.

Finally, today we said a sad farewell to Mrs Cooper who is leaving us for a new challenge in a very different role. We wish her all the best but know that she will keep us posted on her adventures.

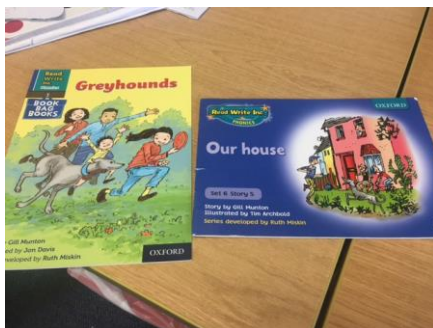

Thank you for all of your support this term, I wish you a restful and relaxing Easter Break.
