SUMMER 2: Issue 2

17<sup>th</sup> June, 2022

This week has been a warm one and we have been enjoying the lovely sunshine! Thank you to some of our parents for providing us with gazebos/parasols to have a little extra shade. Please do continue to provide hats and sun cream, as well as a full bottle of water for your child as these warmer days continue.

Deene have had a great week at school and have been exploring the artwork of Monet. They have produced some lovely pieces of art and really enjoyed using a range of different colours and materials.

Lilford have also had an exciting week and have continued their learning about monarchs. This has tied in perfectly with last week's jubilee celebrations.

Lampport have also been working on producing some beautiful artwork. We will be sharing this with you later in the term!

Rockingham have been working closely with year 3 and 4 to prepare for the end of term production. We are so excited to perform this to you all!

You will have received class overviews this week detailing each area of learning for children in Lilford, Lampport and Deene. Please do ask if you have any queries about these. I will also be holding our final parent forum of the year on Thursday at 10am. I am hopeful that you will be able to join live, however the session will be recorded for those of you who cannot make it.

Happy weekend from all of us at school. We hope you have a restful one and will see you on Monday!

Please let Christine know if you have not received your copy.  
Thank you.

## SPORTS DAY

Sports Day this year will be held on
