SUMMER 2: Issue 3

24<sup>th</sup> June, 2022

Another hot and sunny week which seems to have passed at the speed of light! I am beginning to think that we are going to have to extend this half term to fit everything in!! I am incredibly grateful to parents for managing to keep up with all the necessary logistical arrangements to enable trips/mufti days/donations/sports events/days out to take place – we NEVER under-estimate the organization which goes on behind the scenes to make these things possible for our children.

The children are all working incredibly hard in class and our Lamport and Rockingham class children are busy rehearsing for the show they are putting together for parents on the 14<sup>th</sup> July, 2022. We have another team going out this afternoon to a football competition so wishing them every success!!

I am aware that parents are keen to support summer events planned, and we will try to update you with dates for your diaries and arrangements so that you are aware as early as possible.

Thank you to the parents who were able to join me for the Parents Forum yesterday, we have sent out a link to the recording for those who were unable to attend, please do not hesitate to let me know if you have any comments you would like to make.

Wishing you all a relaxing and enjoyable weekend, hopefully with some more sunshine.

Miss Birch, Headteacher
