SUMMER 2: Issue 5

8th July, 2022

The children have been in and out all week – we can't keep up with it all, goodness knows how you parents are managing it!

Monday was transition day at school and the children all seemed very excited to spend the day in their new classes and, in some cases, with their new Teachers, it will take a while for me to get used to what class everybody is in in September!

We hope that all of our year 6 children who have attended their Secondary School transition days this week have enjoyed their time there and are excited about moving to the next stage of their education, even though we are all feeling sad about saying goodbye.....

Our Dance Club started the week off with an amazing display to their parents, I have seen a recording of their performances and was so impressed with the skills they have developed during their weekly sessions with Amy – well done to them all.

Tuesday was a glorious day for Lamport's trip to Felixstowe, I know Mrs Cope was very emotional to spend her last day out with her class and I know, judging by the photographs, that they made the most of every minute!

Wednesday saw our Summer Fete in the playground. It was so lovely to be able to have this event again this year and to watch everybody mingle and have fun. A huge thank you to our wonderful PSA members for the time taken to organise the Fete. Thank you too to everybody who attended the event and supported this fund-raising venture. We await to hear how much was made from the afternoon, but thank you in advance for your generosity!

Yesterday some of our Rockingham Class spent the morning at a real recording studio with Mr Meekings. They have been working with him over several weeks to put together a radio show (I wonder where Mr Meekings got that idea for a project from...?!). I believe their show has been recorded to disc and we will all enjoy listening to the end results – maybe we will have some budding DJs for the future?! Thank you to Mr Meekings for this opportunity.

Our Archery Team did us proud representing us at the School Games yesterday afternoon – well done to them all – Mr Marshall was so impressed by their behaviour and performance.

Today is Sports Day and I look forward to joining the school for my first Sports Day at GA!

Have a restful weekend, you have had a very full week and there is another one to come next week.
