'Our love should not be just words and talk; it must be true love, which shows itself in action'. (1 John 3:18)

SUMMER 2: Issue 6

15th July, 2022

Phew, what a **week**.....the weather has been hot, hot, hot and the activities have been literally one after the other!! I am hoping that you are still standing, and have enough reserve to keep going for the last 4 days of term, next week!!

Last **Friday** saw Sports Day at the playing field and it was so nice that so many of you were able to join us for a picnic in the hot sunshine! The children did so well and showed their resilience and perseverance to not let the heat stop them doing their best.

The Book Fair arrived on **Monday** in the playground and I know that lots of lucky children will have some beautiful new books to start their holiday break off in the right way.

Deene Class visit to Gallones Ice-cream couldn't have come on a better day and, lucky for us, they actually managed to bring back some samples before they melted they were gratefully received. The

children absolutely loved their afternoon Beach Party which was quickly

planned to replace time out at the park. We finished the day with a School Council arranged Art Display in the playground....I hope that you all have your children's masterpieces in pride of place in your

homes – they were so lovely.

**Tuesday** was Lilford class' turn for a day out – to Stanwick Lakes – they had a lovely time exploring and looking at mini-beasts and bugs and then also planned a Beach Party back at school – this was postponed to next week.

Tuesday afternoon/evening was Disco - time. The children arrived in their finery - I hardly recognised some of them, and they danced the evening away!! My feet were aching the next day, not sure about their's but we had an amazing time and luckily no complaints from the

neighbours!!

**Wednesday** morning was a more sobering affair - The Leavers Service - guaranteed to cause tears, which it did, but also tears of laughter, listening to the children's memories of their time at the school, along with many photographs shared of happy trips and experiences.

**Thursday** we welcomed the Rotary Club to the school to surprise some of the children with special awards - it was lovely to see their faces when they were called up to accept their certificates and also spotted their parents hiding at the back of the playground. The children were all very deserving of their nominations.

Thursday evening saw the key stage 2 Summer Show - what can I say? I said at the end that I felt as though I had been watching a West End Production - proud is an under-statement - each and every child taking part put 100% into their performance, they were amazing, they showed skills we never knew they possessed and their determination to do their best and make us all proud brought a lump to my throat - I'm not sure who looked the most proud at the end, the children, the parents, myself or Mr Marshall who has put his heart and soul into getting the production ready over the past few weeks - a triumph!!! and made even more special as it is the first time the children have performed on stage for over 3 years!

**Today** I have been escorting some children from different year groups to our Trust Sports Day at Spratton Hall - a brilliant chance for the children to compete against and mix with other children from schools within the Trust and such a beautiful venue, we thank the Trust for organising this event.

Today will be our year 6 children's last day in school as years 5 and 6 depart on Monday for the Isle of Wight. We know they will have a wonderful time on their long-awaited and well-deserved residential trip and we look forward to seeing all the photographs whilst they are away.

I wish you all a lovely (hot!!) and restful weekend and thank you all so much for your support and co-operation which has made this week possible.

Miss Birch, Headteacher

---

## DEENE CLASS

---

Please could all Deene children bring a named carrier bag to school on Monday.

Due to the hot weather next week, we plan to have lots of water play to keep cool! Therefore, please could you send in a spare pair of clothes and a towel.

---

## LILFORD CLASS

---

Lilford Class are hoping to have their postponed Beach Party on Monday or Tuesday of next week.

Please can they bring in their swimwear and a towel on Monday in readiness.

---

## ROCKINGHAM CLASS

---

As Rockingham Class depart for the Isle of Wight on Monday, please can arrival be for 8.15 am with hand luggage and suitcase or travel bag. All suitcases/travel bags will be transported separately to the Island, departing at 8.30 am. Children will not have access to these until arrival at the hotel. Pocket money and medicines should be handed to Mrs Wykes and Mrs Jones. All medicines should be clearly labelled with instructions.
