SUMMER 2: Issue 6

21st July, 2022

We've made it!! We are at the last week of the Summer Term and it has certainly felt like Summer this week with temperatures throughout the country reaching unprecedented levels. Thank you for your support in trying to keep everyone safe and comfortable this week – yet another challenge faced and overcome. What an amazing week our Rockingham Class have had on the Isle of Wight. We will welcome them back to school this afternoon. An amazing end to the Summer term and for year 6, to Primary School. We wish every one of our year 6 children all the very best as they continue their education. We will remember them all and hope that they

will stay in touch and keep us up to date with their achievements at Secondary School. With one whole academic year as Headteacher under my belt, I can honestly say that I have enjoyed every minute. The year has been challenging but so rewarding and I would like to thank you all for your support, encouragement, challenge and guidance every step of the way. I feel blessed to have wonderful staff to help me and I would like to also thank them for their hard work and commitment to the school and the children.

We are extremely sad to say GOODBYE today to Mrs Cope who begins her retirement, we thank her for all that she has done and give her our love

and very best wishes for a happy and healthy retirement.

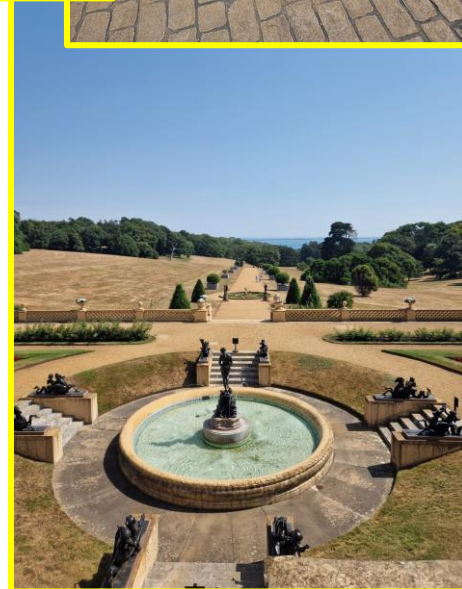

We also say a sad GOODBYE to Mrs Smith who will also not be working with us next year, not only has she worked within the classroom but has given her time so generously, driving the school minibus on many trips away. We will miss her greatly but we know we will still see her regularly in the playground!!

I hope that you all have a happy Summer break with your families making new memories and I look forward to seeing you all back at school on Monday September, 2022. Best wishes.

Miss Birch,
Headteacher

What a wonderful time in the Isle

A massive big THANK YOU to our amazing PSA members.

This has been another very challenging year for fund-raising and I thank each and every one of our members who have come up with innovative and creative ways of raising funds during these difficult times. We were so pleased to see the return of the Summer Fete this year.

This year we will lose some of our long-standing members – Mrs Price, Mrs York, Mrs Lloyd Warner, Mrs Hall and Jennifer and I thank you so much for everything you have done over the years and the money you have helped to raise which has in turn enhanced our children's learning experience.

Your support and hard work is so much appreciated.
