Values Champions

This term, we are celebrating the school value of 'Excellence'. This week, Amelia and Ronnie have been recognised. Amelia was nominated her perseverance with cricket during playtimes this week. The Sports Crew were very proud of her determination.

Ronnie was nominated by PR Sports this week for fantastic listening, supporting others and helping a friend when they weren't feeling well. Thank you Ronnie and well done Amelia!

Well done to all of those who have achieved a certificate this week. We have had many House Point Cards completed too, showing that the children are clearly working hard in school and demonstrating our School Values proudly.

Year 2 Cricket Festival

Year 2 had a fantastic time trying out new skills at the Sports Partnership Cricket Festival. They were taught how to bowl, bat and field by the sports mentors and young leaders and came joint third, winning a sporty wristband. The children were a credit to the school and have come away with lots of new skills that I'm sure they will share with you at home.

Sorry for the lack of photos...battery/device issues...! The children have great memories at least!

Class photos

On Friday 17th May, children will have photos taken with their class. For those wearing PE kit (Lilford and Lampport) please come to school in your SCHOOL UNIFORM and bring your PE kit to get changed into after your photographs.

A few extra bits...

- We are in desperate need of boys underwear for our smaller, younger years to keep in our 'just in case' box. If anyone has any spares or unwanted underwear that have been outgrown, please could you drop them off at school? Thank you in advance!
- As the days get warmer and sunnier, please bring a **named** sunhat to school!
- Please inform the office of any 'data' changes as soon as made to ensure we have your more up-to-date information on our system (changes of address, email, contact details etc)

A message from the PDET Trust...

School Census—Universal Infant Free School Meals (UIFSM) - Thursday 16th May 2024

On Thursday 18th January, the government is collecting a census of schools. The data collected is then used to calculate the future UIFSM funding that the school receives. In short, the more EYFS/KS1 (infants) pupils that take a free school meal on this day determines how much money we receive. It would be fantastic if all of our EYFS/KS1 pupils chose a free school meal on this day, even if normally they bring in a lunch from home. If you don't normally take a school lunch, it's easy to order one. Simply log onto **ParentPay** and make your menu choices.

Thank you in advance for your support.

Spring has finally sprung!

Deene were very excited to show me the progress of their runner beans and sweet peas that they planted 2 weeks ago.

Meanwhile, our outside planter has also started to show signs of life.

The children have been taking care of the seeds by watering them regularly and it's lovely to see the results of their care!

You've got this!

Finally, a note to our Year 6 children. After months of dedication, perseverance and many of Mr Marshall's breakfast-club-croissants, it's time to tackle those small things we call SATs. Know that your GA family are proud of you and we look forward to seeing your sunny smiles on the playground each lunch time next week as you tick off one day at a time. Relax this weekend – you've got this!
