'Our love should not be just words and talk; it must be true love, which shows itself in action'. (1 John 3:18)

AUTUMN 1 : ISSUE: 5

Friday 8th October, 2021

Hallo! Welcome to another weekly Newsletter!

This week has been busy at Great Addington Primary with lots of excitement going on around the school. Monday saw us introduce our new 'greeting of the week' and I am so proud of our children for greeting me with a cheery 'hallo!' in the mornings.

In our collective worship this week, we explored the value of peace and considered how we can find peace in little moments of the day. We are working hard to create reflective areas for this purpose around our school and the children will be decorating pebbles next week to be put in our 'reflection garden' outside Lamport's classroom. Each pebble is unique to every child and the garden will represent our school community, while providing children with a place to reflect and be spiritual.

In similar news, we have been working hard to create a very special display in our hall. This will provide a place where children can mark a country, city, town or area of the world that is significant to them. This may be a native country or somewhere that they have been lucky to visit on holiday. I will be encouraging the children to 'make their mark' on our world map so please do talk to them about somewhere that might be significant to your family. If you have any objects, images or souvenirs that could also be added to our display then please do send these in.

This morning marked our Harvest celebrations and I would like to thank our staff, children, and Reverend Pauline for their contributions to our service. A huge thank you also goes to all of our parents for your generous food donations. This year, your donations are supporting The Hope Centre in Northampton. This worthy cause provides food to families in need, as well as those who are homeless. As always, our Christian vision of 'love in action' is lived out every day at Great Addington and we thank you wholeheartedly for your part in this.

Finally, you will have been sent an email asking you to book a parent consultation appointment with your child's Teacher this week. These meetings will be conducted via zoom and provide an opportunity to discuss how your child has settled into their new year group. If you have any queries about these appointments then please do contact us.

I wish you a peaceful and relaxing weekend. If the forecast is to be believed, there may even be some sunshine on the horizon!
